- ◆ Grab pretzels instead of chips.
- ◆ Make your sandwich healthy with whole-wheat bread, lean meat and mustard instead of mayo.
- ◆ Pack some carrot sticks for a snack and a piece of fruit.

What healthy lunch choices did you make this week?

Tip to take away: Whether you buy your lunch at school or bring your own lunch try to make healthy choices. Try to have 100% fruit juices, water, fat-free or low-fat milk and yogurt, and snacks like fruit, dry cereal or trail mixes made of fruits, nuts and seeds.
